**Military Veterans Resource Center to host veterans career workshop on June 4**

**CHILLICOTHE, Ohio (May 19, 2015)** – Military Veterans Resource Center invites job seeking veterans and spouses to attend a Veterans Career Workshop on Thursday, June 4. The workshop is free for participants and will take place at the Red Cross’s Chillicothe office, located at 181 N. Bridge St. It will run from 10 a.m. to 3 p.m., with lunch included.

“The career workshop is an opportunity for veterans to build their job search skills and practice translating their military accomplishments for civilian employers,” said MVRC Executive Director Len Proper. “Many past participants have received interview invitations soon after completing the workshop.”

The workshop will include individual career assessments, a resume session, a mock interview session with local employers and a one-on-one consultation with a MVRC Veterans Services Specialist. If veterans have a resume, they should bring it, as they will spend time revising their current resume or developing a new one.

Participants must pre-register by contacting Dennis Lambert at 740-571-4555 or [dennis.lambert@milvetsrc.org](mailto:dennis.lambert@milvetsrc.org). The workshop has limited seating, so call today to be sure of a spot!

Military Veterans Resource Center’s mission is to provide comprehensive services and information that enables veterans who served honorably to become self-reliant in managing career and life decisions. MVRC is based in Columbus and operates five centers throughout Ohio. For additional information, please visit [www.milvetsrc.org](http://www.milvetsrc.org).
