Military Veterans Resource Center To Host Veterans Career Workshop

COLUMBUS, Ohio (June 2, 2014) – Military Veterans Resource Center invites all veterans looking for a new career to attend our free Veterans Career Workshop on Tuesday, June 24. This career workshop will take place at MVRC Headquarters, located at 1395 E. Dublin-Granville Rd., Ste. 350. It will run from 10 a.m. to 3 p.m., and lunch will be provided.

Veterans interested in attending the Veterans Career Workshop must pre-register by contacting career specialist Velecia Luckette at 614-636-4622, or velecia.luckette@milvetsrc.org. The workshop is limited to 12 participants. Interested veterans should call today to be sure of a seat.

This personalized, interactive workshop is designed to improve veterans' job search skills and help them become more competitive job candidates. MVRC career specialists will work with veterans one-on-one and will provide individual career assessments, teach cover letter and resume writing, and conduct mock interviews. If veterans have a resume, they should bring it, as they will spend time revising their current resume or writing a new one.

Military Veterans Resource Center is a non-profit organization that provides personalized career services to veterans who served honorably. MVRC works with veterans one-on-one to identify the obstacles preventing them from gaining employment and helps them access the resources to overcome those obstacles. MVRC is based in Columbus, Ohio and operates seven centers throughout the state of Ohio. For additional information, please visit www.milvetsrc.org.
